

REEVES CHRISTMAS MESSAGE

The time of the year has arrived where families come together to celebrate the holiday season. It is the season to show love, give to the needy, show compassion and most of all to forgive.

As 2016 races to a close, and we busy ourselves with winter activities, New Year celebrations, and plans for 2017, it's worth taking a moment to thank our many residents for their contribution to our community. Our volunteers work without fanfare or acknowledgement, motivated not by financial or personal gain, but by their desire and love to support where they live. To all those willing to roll up their sleeves, **WE SINCERELY THANK YOU!**

During this time of the year it is also important to remember those in our community who may need our assistance. Your support and care will help ensure that their day will be that much brighter.

I would also like to thank all of the staff, both full time and seasonal, for all that they do for our community. They work hard for the betterment of it and to ensure the safety and support of our residents. All of their efforts are certainly very much appreciated.

In conclusion, on behalf of Council and staff, I would like to wish you and your families a safe, peaceful, joyful Christmas Season and a very prosperous 2017!
