

Procurement

The Township of Carlow/Mayo will take the following steps to incorporate accessibility criteria and features when procuring or acquiring goods, services or facilities, including self serve kiosks.

- By-law shall be amended by including the following:

Accessibility

In acquiring goods and services for the municipality, municipal staff shall consider and have regard to disability accessibility issues as they may reasonably pertain to such acquisitions of goods and services in accordance with the Township's Procurement By-law. If it is not possible and practical to do so, the Township will provide an explanation on request. Explanations shall be forwarded by the appropriate Department Head in an accessible manner and shall be copied to the Clerk's office for further review so that such issues shall be incorporated into the multi-year accessibility plan to prevent and remove such barriers.
